

All of Me

All of me -- why not take all of me?
Can't you see? I'm no good without you
Take my lips, I wanna lose them
Take my arms. I'll never use them

Your goodbye left me with eyes that cry
How can I go on dear, without you?
You took the part that once was my heart
So why not, why not take all of me?

Your goodbye left me with eyes that cry
How can I ever make it without you?
You know you took the best, so why not take the rest?

Why not take all of me.

Black Orpheus

I'll sing to the sun in the sky
I'll sing till the sun rises high
Carnival time is here
Magical time of year
And as the time draws near
Dreams lift my heart

I'll sing while I play my guitar
I'll cling to this dream from afar
Will true love come my way
On this carnival day
Or will love stay in my heart?

I'll sing to the sun in the sky
I'll sing till the sun rises high
Carnival time is here
Magical time of year
And as the time draws near
Dreams lift my heart

I'll sing while I play my guitar
I'll cling to this dream from afar
Will true love come my way
On this carnival day
Or will love stay in my heart?

Will true love come my way
On this carnival day
Or will I be alone with my dream?

Here's That Rainy Day

Maybe I should have saved those leftover dreams
Funny but here's that rainy day
Here's that rainy day they told me about
And I laughed at the thought
That it might turn out this way

Where is that worn out wish that I threw aside
After it brought my love so near
Funny how love becomes a cold rainy day
Funny that rainy day is here

Out of Nowhere

You came to me from out of nowhere
You took my heart and found it free
Wonderful dreams, wonderful schemes from nowhere
Made every hour sweet as a flower to me

And if you should go back to your nowhere
Leaving me with a memory
I'll always wait for your return out of nowhere
Hoping you'll bring your love to me

Song For My Father

This little song for my father does things that no other can do
As I sing it -- to you
It has a rhythm and a rhyme that will fasten his memory in time
As his beauty -- shines through

For through my mind and soul -- my heart will always hold
A special place for him -- it's true

We bow our heads and we pray, every day, Father's Day, let's review
all that he means -- to you
Our mother's love is real nice, but old Dad sacrificed for us too
Let us give him -- his due

We're very proud to be -- in his biography
We sing this song for him -- and you -- and you -- and you

We sing this song for him and you
We sing this song for him and you
We sing this song for him and you, you, you, you, you

There Will Never Be Another You

There will be many other nights like this
I'll be standing here with someone new
There will be other songs to sing another fall, another spring
There will never be another you

There will be other lips that I may kiss
They won't thrill me like yours used to do
Yes, I may dream a million dreams, how can they come true
If there will never ever be another you?
